## THE DOCTOR IS IN (HE'S AGED A BIT)

Complete what the fans say about Doctor Who:

A lot of times when I'm not feeling **1.** \_\_\_\_\_, I watch 'Day of the Doctor', 'cos that's like just my **2.** \_\_\_\_\_ episode now ... and it's like such a happy episode.

Doctor Who makes everybody believe that they can be heroes as well, and save the universe, run around with the doctor, be his best friend for **3.** \_\_\_\_\_, and I think that's **4.** \_\_\_\_\_ universal. I think everybody wants to save the **5.** \_\_\_\_\_.

It kind of makes me feel happy, and I feel like a little kid again, like just ... I'm getting goosebumps **6.** \_\_\_\_\_ thinking about it.

I know when I'm going to be watching this tonight I'm going to have a big **7.** \_\_\_\_\_ grin.
