## EINSTEIN'S RIDDLE

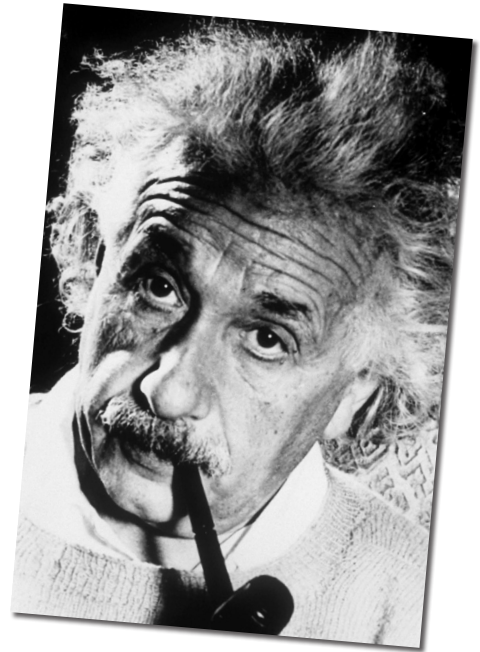

Complete the text with the correct words. The beginning of each word is given.

The following **1. r \_\_\_\_\_** has been attributed to the young Albert Einstein. (In fact, some of the **2. b \_\_\_\_\_** mentioned are too recent for this to be true)

There's a lot of information so it's a good idea to draw a **3. g \_\_\_\_** like the one below.

Pause the video when necessary to examine the **4. c \_\_\_\_\_** and find the solution.

You may have some **5. f \_\_\_\_\_ s \_\_\_\_\_** and may even come to a **6. d \_\_\_\_ e \_\_\_\_**, but by a process of **7. t \_\_\_\_\_ a \_\_\_\_ e \_\_\_\_\_**, and by using your **8. i \_\_\_\_\_**, you'll succeed!

Now complete the grid as you watch the video. You will need to pause frequently!
