

QUIZ

CAN REPUBLICANS WIN THE MIDTERM ELECTIONS?

Complete the paragraph, using information from the video.

Some commentators say there could be a blue 1. _____ in this year's Midterm Election. This means that the Democrats could gain control of both The House of Representatives and The Senate. In fact the 2. _____ president's party has gained seats in both houses in just two Midterms in the last 3. _____ years. However, the economy is not weak, and the 4. _____ built by the Republican Party may be able to resist the Democrats, especially in The 5. _____, which the party has a good chance of defending. The 6. _____, as the Republicans are sometimes known, can also manipulate election boundaries by the process of 7. _____ to try to preserve its advantage.

Answers : 1. wave - 2. sitting - 3. 150 - 4. wall - 5. Senate - 6. GOP - 7. gerrymandering.
